

## ***Mitzvah Goreret Mitzvah***

*One good deed leads to another.*

Pirkei Avot 4:2

As Jews, we are charged with the responsibility to do good in the world. At the Beth-El Religious School, we strive to instill within our students a love of helping others and doing good in the world. After all, doing Mitzvot (good deeds) feels great and ultimately inspires us to do more Mitzvot. This year, we will be taking extra time to weave this important theme of *Mizvah Goreret Mitzvah* into everything we do at Religious School with the hope that students will live this value not just at Beth-El, but also at home and out in the world.
